3. Chairperson's Welcome

I am delighted to join with our Chief Executive John Kearney in offering some words of welcome and introduction to the Cavan and Monaghan Education and Training Board (CMETB) Annual Report for 2018.

CMETB is one of the biggest employers in Cavan and Monaghan with some 1,200 part time and full time staff. CMETB provided post-primary education to 4,211 students across 11 schools during 2018, representing an enrolment growth of over 300 students with a projection of future growth in coming years.

Through our strategic partnerships with local business, employers and Cavan and Monaghan County Councils and their associated committees, we are also one of the key drivers of economic development and growth in the region. Our Annual Report for 2018 reflects upon and captures this work.

Amongst many significant events which occurred during 2018 were:

- The official opening of our long awaited and much campaigned for new school post - primary school in Kingscourt, Coláiste Dún an Rí
- The official opening of an impressive extension for the fast-growing Breifne College in Cavan Town
- Excellent results being achieved by students in all our post primary schools, in terms of academic, sporting and social activities
- The introduction and delivery of innovative apprenticeships and traineeships as part of CMETB FET Programme delivery
- Well attended and well organised Graduations at both our Institutes and in the Adult and Community Education sector
- Maintaining the highest standards of corporate governance throughout the organisation.

The above are only some highlights of the work undertaken by staff, learners and Board members in 2018.

As Chairperson, my hope is that the years 2019 and beyond sees the completion of the sanctioned new Further Education and Training Campus in Cavan Town. This new campus will properly reflect the success story that is Cavan Institute, as well as CMETB's emergence as a real leader in advancing new and highly relevant Traineeships and Apprenticeships to meet the skills needs of local and future employers.

Cllr Seamus Coyle, Chairperson CMETB 2017-2018

4. Chief Executive's Address

Our purpose in presenting this report is to provide an overview of the performance of Cavan and Monaghan ETB in relation its functions during the year and of the work carried out to implement the CMETB Strategy Statement 2017 to 2021. Our core values of Equality, Professionalism, Integrity, Collaboration and Innovation inform our collective actions throughout the organisation in progressing the delivery of each goal of our strategy. This Annual Report highlights many significant achievements of the CMETB Strategy Statement during 2018. The planned review of the Strategy will be conducted in 2019.

In schools, there has been a growth in student numbers, reflecting the high-quality education being provided for young people, whose parents have entrusted them to us. Major progress on the capital programme has continued, leading to the completion of a new school building for Coláiste Dún an Rí and a major extension for Breifne College. Collaborative networks in Leadership, Teaching and Learning, Wellbeing and Information and Communications Technology have all helped to develop highly interactive approaches to the core business of quality classroom teaching and learning.

CMETB Further Education and Training services are developing a reputation for leading proactive and planned responses to the issues in our area. Development in our Further Education and Training services involved impressive contributions from Cavan Institute, Monaghan Institute, Training Services and Adult Education Services, working together to ensure significant progress has been recorded in our Further Education and Training Plan. The development of a new exciting OEM Apprenticeship with Combi Lift and the Mid-Tier Engineering Consortium reflects the expanded collaborative capacity of CMETB to successfully engage with employers in generating economic growth for the region.

CMETB Youth Services continue to monitor and evaluate provision in the area as well as providing innovative services to so many communities and youth groups across Counties Cavan and Monaghan. Our Music Generation Programme is being developed to ensure increased access to high-quality, subsidised vocal and instrumental tuition for children and young people throughout the region.

It has been a privilege for me to work with my colleagues among the staff over the past year. I am very grateful for the support of the CMETB board who have shown such dedication to their work on behalf of all learners. I thank all who contributed in any way to this report and wish all staff and learners continued success in 2019.

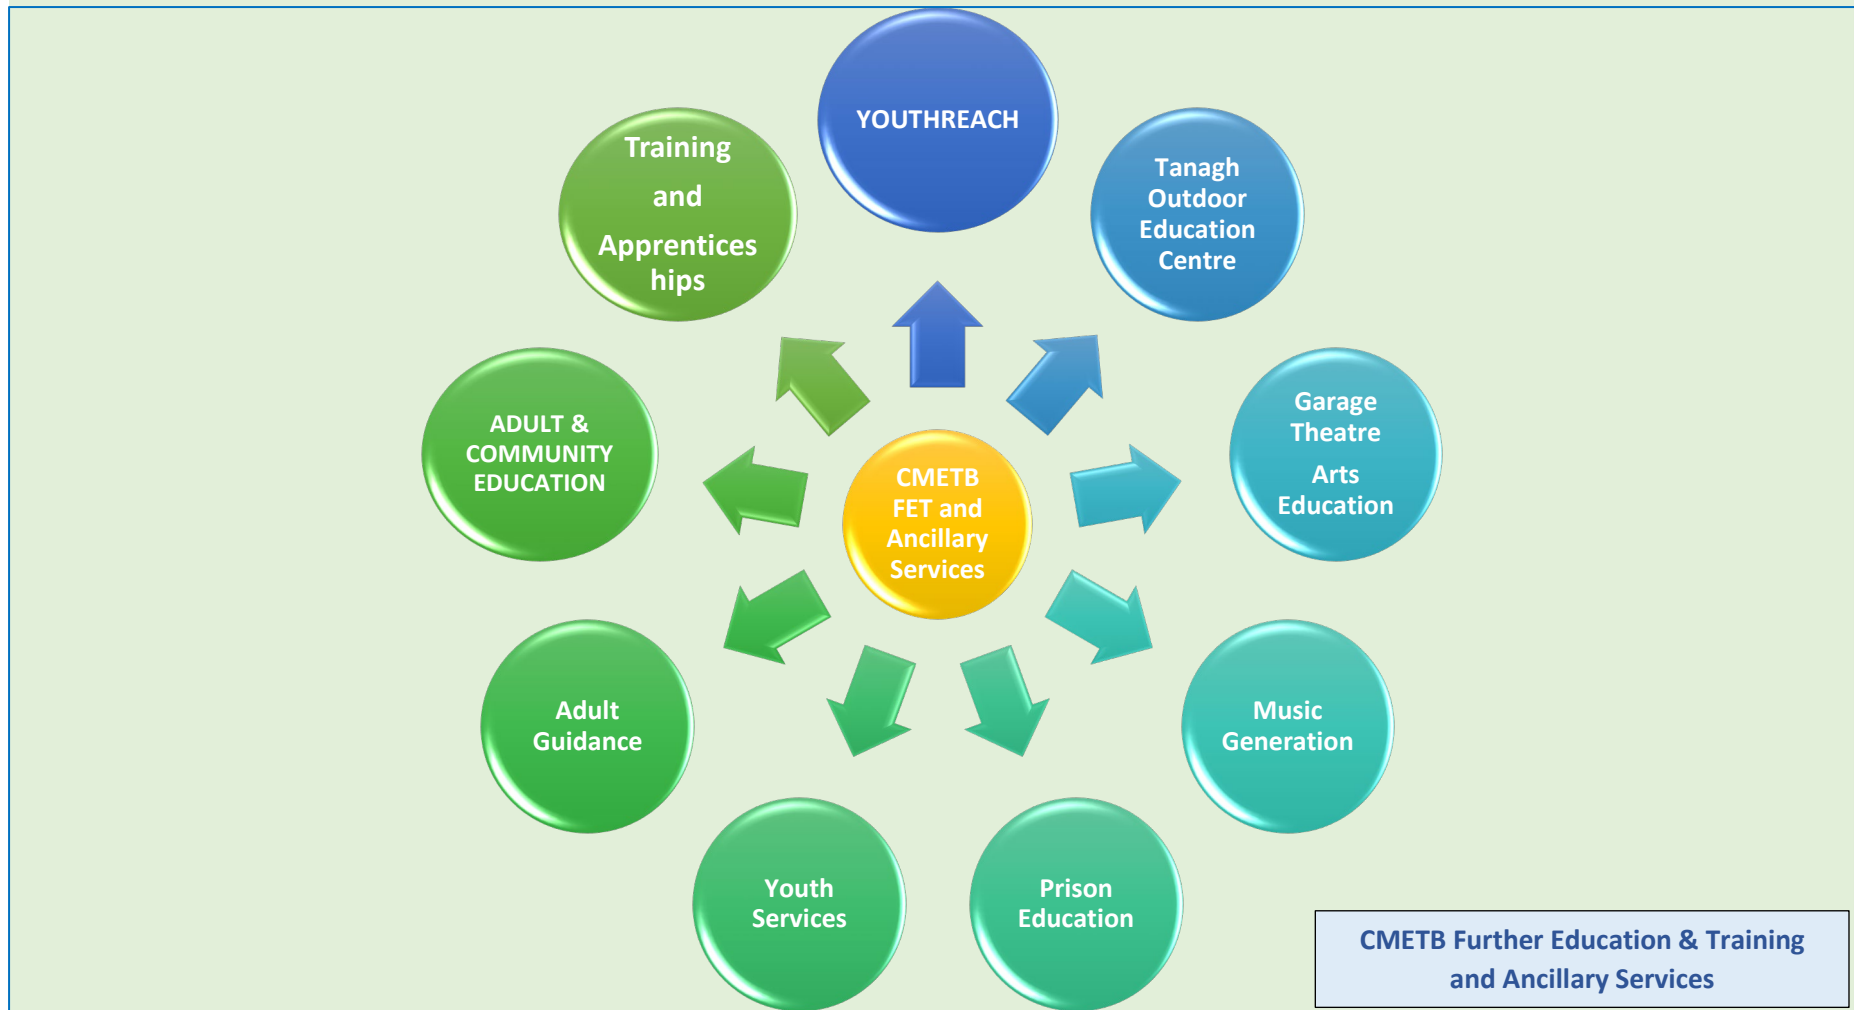

John Kearney
Chief Executive

In addition to this, incidental inspections took place periodically and one school participated in the annual Comptroller & Auditor General audit of CMETB.

Statement of Internal Control

CMETB introduced a Statement of Internal Control for schools in 2018. This statement acts as a compliance checklist for school leaders and Board of Management but is also a quality assurance and governance instrument for the ETB. School principals were given training in the content and methodology of this statement and all schools returned a statement for 2018. The statement covered areas including finance, resource allocation, record keeping and compliance with ETB and DES rules and regulations.

Child Protection:

In March 2018 new national guidelines for child protection were put on a mandatory footing by the government. CMETB acted in a timely and efficient manner to ensure that these guidelines were implemented immediately. Each school developed a risk assessment document and Child Safeguarding Statement and ensured that all relevant staff availed of core CPD in child protection. Teachers are to be complemented for completing much of this CPD online during days when schools had to close due to inclement weather, resulting in no need for schools to lose a further day for this CPD. CMETB assisted in developing appropriate reporting mechanisms to Boards of Management.

One of the schools represented at the CMETB Celebration of Excellence Awards evening for students who excelled in Leaving Certificate and Applied Leaving Certificate examinations.

Board of Management CPD:

In 2018, CMETB provided professional development to members of the Boards of Managements to support the effectiveness and efficiency of Boards. Two 3-hour workshops were provided to Board of Management Members in 2018. The focus of this year's CPD was changes in Child Protection and Department of Education and Skills Inspections. Boards of Management gained an insight in how to exercise their child safeguarding governance and oversight role and their role in preparing for and participating in the inspection process.

The sessions were well attended and feedback from participants reflect their appreciation at being suitably supported in their role as members of Boards of Management and they expressed a desire for further support and development from Cavan and Monaghan ETB.

Teacher Development:

The tables below document the deep commitment of CMETB to developing teacher capacity in line with our strategy statement. Key highlights of 2018 included:

- First annual teacher symposium on the theme of Building Independent Learning
- Specific support for teachers in understanding Circular 03/2018, the leadership component of Looking at our Schools and competency based interviews.
- Annual CPD for all Principals and Deputy Principals
- The appointment of additional posts of responsibility to schools at the level of Assistant Principal 1 and Assistant Principal 2
- Specific CPD in the area of drugs and alcohol misuse
- An extensive digital leadership programme offering significant support to schools in implementing digital planning and learning

Arts in Education - Music Generation

In 2017 Music Generation announced that Counties Cavan and Monaghan will together receive €450,000 in philanthropic funding from U2 and The Ireland Funds over three years to create increased access to high-quality, subsidised vocal and instrumental tuition for children and young people throughout the region. Operating on a 50/50 matched funding basis, Cavan/Monaghan Music Education Partnership will also generate a further €450,000 locally over the three-year period. Cavan/Monaghan is among 9 new areas of the country selected for participation in Music Generation's second phase.

Cavan/Monaghan Music Education Partnership (MEP) is led by Cavan and Monaghan Education and Training Board (CMETB) in partnership with Monaghan County and Cavan County Council.

Planning and programming for Music Generation Cavan/Monaghan got underway at the end of 2018 with the appointment of Mairead T Duffy to the position of CMETB Music Generation Development Officer

CMETB School Principals, Chief Executive and Directors

School Principals met on a regular basis with the Chief Executive and Director of Schools throughout 2018. The purpose of these meetings is to ensure a consistent approach to quality and compliance with all relevant policies and circulars, keeping schools informed of developments in education at local and national level, as well as providing an opportunity of sharing best practice across CMETB. These meetings often included a CPD feature to focus on their professional growth as school leaders. CMETB also facilitated and supported school leaders in their attendance at all relevant nationally organised CPD, including the annual NAPD conference.

6.3. ORGANISATION SUPPORT & DEVELOPMENT

i. Corporate and Governance Compliance

The primary legislation governing education and training boards is the Education and Training Boards Act 2013. Department of Education and Skills Circular Letter 0018/2015. “The **Code of Practice for the Governance of Education and Training Boards**”, whilst setting out guidelines in certain situations, should be primarily considered as a set of standards for members and staff of the Board. Members and staff are expected to ensure that their activities in relation to CMETB are governed at all times by these standards, in letter and in spirit.

- **Audit of Compliance with Code of Practice for Governance of ETBs**

In March 2018, CMETB carried out a review of the audit of compliance with the Code using an audit tool developed by Irish Public Bodies Insurance (IPB). The review of the audit demonstrated that we had an acceptable level of compliance. A new Code of Practice for Governance of ETBs was issued by the Department of Education and Skills in January 2019 and we will focus in 2019 on enhancing the level of compliance in order to demonstrate continual improvement while building a body of assurance for CMETB.

- **Risk Management**

Cavan Monaghan Education and Training Board undertook a number of activities in 2018 to support the management of enterprise risk and to demonstrate good governance. The underpinning evidence base for this work was legislation relevant to CMETB and the Code of Practice for the Governance of Education and Training Boards (Department of Education and Skills, Circular Letter 0018/2015). The following outputs were completed during the year:

1. Quarterly review and updating of the Corporate Risk Register
2. Quarterly review and updating of the Further Education and Training Risk Register
3. Quarterly review and updating of the Schools Risk Register

The focus was on identifying the key risks that could prevent the delivery of the CMETB Statement of Strategy. These key risks were presented to the Audit Committee and work was ongoing on managing the risks identified, reducing risk and identifying new risk areas.

- **Development of Safety Management System**

Cavan and Monaghan ETB has been instrumental in the establishment of an ETB Safety Management System Project Steering Group with the support of IPB Insurance. The objective of the project steering group is to develop a standardised safety management system for all sixteen ETBs. Our Chief Executive is the Project Manager and our Compliance Officer participates in the project steering group while developing and delivering policies and

procedures to support the management of employee safety, health and welfare risks. The consultation phase of the project continued during 2018, with ETBI facilitating meeting with sectoral unions, representatives of the project steering group and IPB staff. The project outputs will add value across CMETB while also supporting us to reduce the incidence of employee incidents and claims which ultimately affect people, CMETB and insurance premiums.

The new Guidelines on Managing Safety, Health and Welfare in Post-Primary Schools were launched by the Health and Safety Authority and the Department of Education and Skills in Autumn 2018 with a series of regional workshops for Principals.

Work commenced on a pilot project which involves two ETBs, working with a specialist health and safety contractor (Quadra), on development of bespoke Safety Statement template for schools. This work is guided by a combination of the HSA guidelines and the work completed by the Safety Management System Project Steering Group.

- **Freedom of Information**

Cavan and Monaghan Education and Training Board published its Freedom of Information Publication Scheme, in compliance with the Section 8 of the Freedom of Information Act 2014.

The Publication Scheme may be accessed on www.cmetb.ie and a hard copy is available on request from Head Office.

The Publication Scheme lists information on CMETB services, having regard to the principles of openness, transparency and accountability as set out in Sections 8(5) and 11(3) of the Act. The scheme will be updated and added to on a regular basis. In January 2018 CMETB began publishing the minutes of ETB meetings.

During the course of 2018, CMETB received twenty-five (25) requests for information under the FOI Act. Of these, eighteen requests were for non-personal information made by journalists, interest group members and members of the public. The type of non-personal information requested was: details of payment of expenses to ETB members; details of leases; teacher allocation; internal audit reports; child protection and recruitment practices; tenders; and information regarding religious education in CMETB schools. A summary of the requests received (Disclosure Log) is published on the CMETB website as part of the FOI Publication Scheme.

- **Data Protection**

Throughout 2018 preparations continued for the introduction of the EU General Data Protection Regulation (GDPR), which was due to commence on 25 May 2018. A project group, comprising representative from all 16 ETBs, developed policies and procedures that comply with GDPR. Work commenced on mapping CMETB data processing activities and developing data processing and data sharing agreements with third parties. The role of Data Protection Officer was designated to the Head of Compliance, a dedicated email address was

established, and this was registered with the Data Protection Commission. The DPO visited each school and attended staff meetings in order to brief staff on their responsibilities under GDPR. ETBI developed a GDPR eLearning online training programme for staff and this was completed by almost 500 CMETB staff during the period September to December 2018. The administration centres focussed on data minimisation and a highly successful 'De-clutter Day' was held in July 2018.

In the period 25 May to 31 December 2018 three data breaches were reported to the Data Protection Commission. These breaches were deemed low risk for the data subjects, two involved clerical error and the third involved theft of documentation. These breaches were managed within the GDPR legislation and corrective action was implemented.

- **Training and ongoing support for the Education and Training Board and Boards of Management**

During 2018 CMETB administrative staff continued to provide support and training for the ETB and its sub-committees, including Boards of Management. In September 2018 the Board received a briefing on GDPR, the implications for CMETB and an update on the implementation of policies, procedures and staff training. In November 2018 training was provided to Board members in their role in supporting their school in the implementation of the new Child Protection Procedures and Inspections by DES. All sessions were well attended by staff and board members. The Corporate Services Department continues to support the Board and sub-committees by providing administrative support for meetings and supports Boards of Management by providing guidance on agenda preparation, minute taking and recording of minutes.

ii. **Staffing**

CMETB is a significant employer within the region employing approximately 600 full time staff and 600-part time staff. During 2018, the reassignment of staff on both a temporary and permanent basis to areas of critical need ensured the continued delivery of key services. CMETB endeavours to recruit and retain the best staff available. The necessary skill sets are identified in order to deliver organisational excellence and to enhance capacity to adequately meet new and evolving challenges, training has been provided in areas including HR, Finance, IT, Procurement, Capital Management and Governance. CMETB is continually striving to make the best use of technology to ensure a better quality of service within the resources available.

iii. **ICT**

CMETB uses a combination of on-premise file servers and Microsoft Office 365 for email and other web-based applications. The long-term plan for CMETB is to move away from

on premise services and move towards a hosted web-based service where all products would be available on the web.

CMETB have introduced a staff intranet to all staff across the scheme. This intranet is running on Microsoft SharePoint which is part of the Microsoft Office 365 product suite. The application allows staff to collaborate and share information very easily and access documents including staff policies and procedures which are stored centrally and can be accessed securely from anywhere on multiple devices including desktop, laptop and smart phones.

CMETB use Microsoft Teams which is a collaboration tool which enables staff to staff and staff to student collaboration. This is a very powerful communication tool and is currently been used across the CMETB Scheme.

Cavan Monaghan Education and Training Board (CMETB) is one of the leaders in terms of ICT within the ETB sector nationally. CMETB IT currently supports 1,200 staff and 12,000 students on a daily basis across all our schools and education centres in the Cavan and Monaghan region. CMETB IT also provides support to the various applications and systems that users require to carry out their work.

The use of ICT within CMETB schools continues to increase at a very high rate particularly since the launch of our digital leader's programme. This staff initiative was launched in 2017 and CMETB have identified a group of staff coordinated by CMETB who are working to enhance the staff student interface for the 2018/2019 academic year. These staff members are receiving advanced, customized training on how best to utilize Office 365 in the progression of teaching and learning in their own classrooms and across their school as a whole. These staff members are engaging with other staff within their own schools and centres and are passing on the knowledge they gain to their colleagues within their own subject departments and more generally throughout the school.

The Minister for Education and Skills, Joe McHugh T.D., announced a further investment of €50 Million in ICT infrastructure for primary and post-primary schools. This investment is the third instalment of the implementation of the government's €210 Million Digital Strategy for Schools. As part of this programme all CMETB schools have completed a comprehensive eLearning Plan and CMETB ICT have been working very closely with the school's Management in a support role to ensure their plans are fit for purpose from a technology perspective. One of the main priorities of the school plans was to improve the network infrastructure within the school and in particular school Wi-Fi. Over the past year CMETB are continuing to upgrade all school Wi-Fi and there are currently over 550 managed Wireless Access Points across all their centres. Other investment was made in mobile teacher devices which ensures that CMETB staff are well equipped to embrace new technologies within education.

During 2017, CMETB IT rolled out Windows 10 to almost 3000 devices across the entire organisation. During 2018 to ensure security and stability on the Client estate, CMETB have continually progressed upgrading windows 10 to the latest releases.

The ETB Internal Audit Unit engaged the expertise of KOIS Corporation Limited to conduct a full ICT audit of the sector. This audit was completed in 2017 and the audit report has been actioned. CMETB are proactively addressing the recommendations of the findings of the audit report.

Security continues to be a primary concern for CMETB particularly with our Office 365 cloud services. A key aspect of cloud security is identity and access when it comes to managing our cloud resources. In a mobile-first, cloud-first world, CMETB users can access resources using a variety of devices and apps from anywhere. As a result of this, just focusing on who can access a resource is not sufficient anymore. In order to master the balance between security and productivity, CMETB have introduced a higher level of security called conditional access which will require Staff to enter additional login information when accessing CMETB cloud services from outside the corporate network. This new security feature has been fully tested and has been fully rolled out to all staff.

CMETB have implemented Microsoft Intune mobile device management. Intune is an enterprise mobility management (EMM) application which will enable CMETB to protect its corporate data on all mobile devices including laptops, tablets and mobile phones. As part of the Intune suite CMETB have leveraged Mobile Application Management (MAM) policies and rolled out to all CMETB staff and student cohort. Intune MAM policies protects CMETB Office 365 corporate data at the application level on mobile devices. CMETB are continually enrolling corporate mobile devices utilising Intune and enforcing security and management of these devices.

iv. Finance

During 2018 Way2Pay was introduced and rolled out in all schools in CMETB. Way2Pay is an online system which allows schools to request and receive payments from parents and for parents to make these payments online. The system provides an instant receipting system which allows for a complete reconciliation and audit of school income. It also minimises the risk for students bringing money to schools and for schools holding amounts of cash on the premises. CMETB will roll this service out in other services as and where appropriate.

v. Land and Buildings

Wednesday, 09 May 2018 was a red-letter day for the people of Kingscourt and surrounding areas when Minister Heather Humphreys cut the tape to officially open the new CMETB €15 million state of the art second-level school, Coláiste Dún an Rí. members as well as the general public for their unwavering commitment to bringing the project to a successful completion.

vi. Organisational Capacity

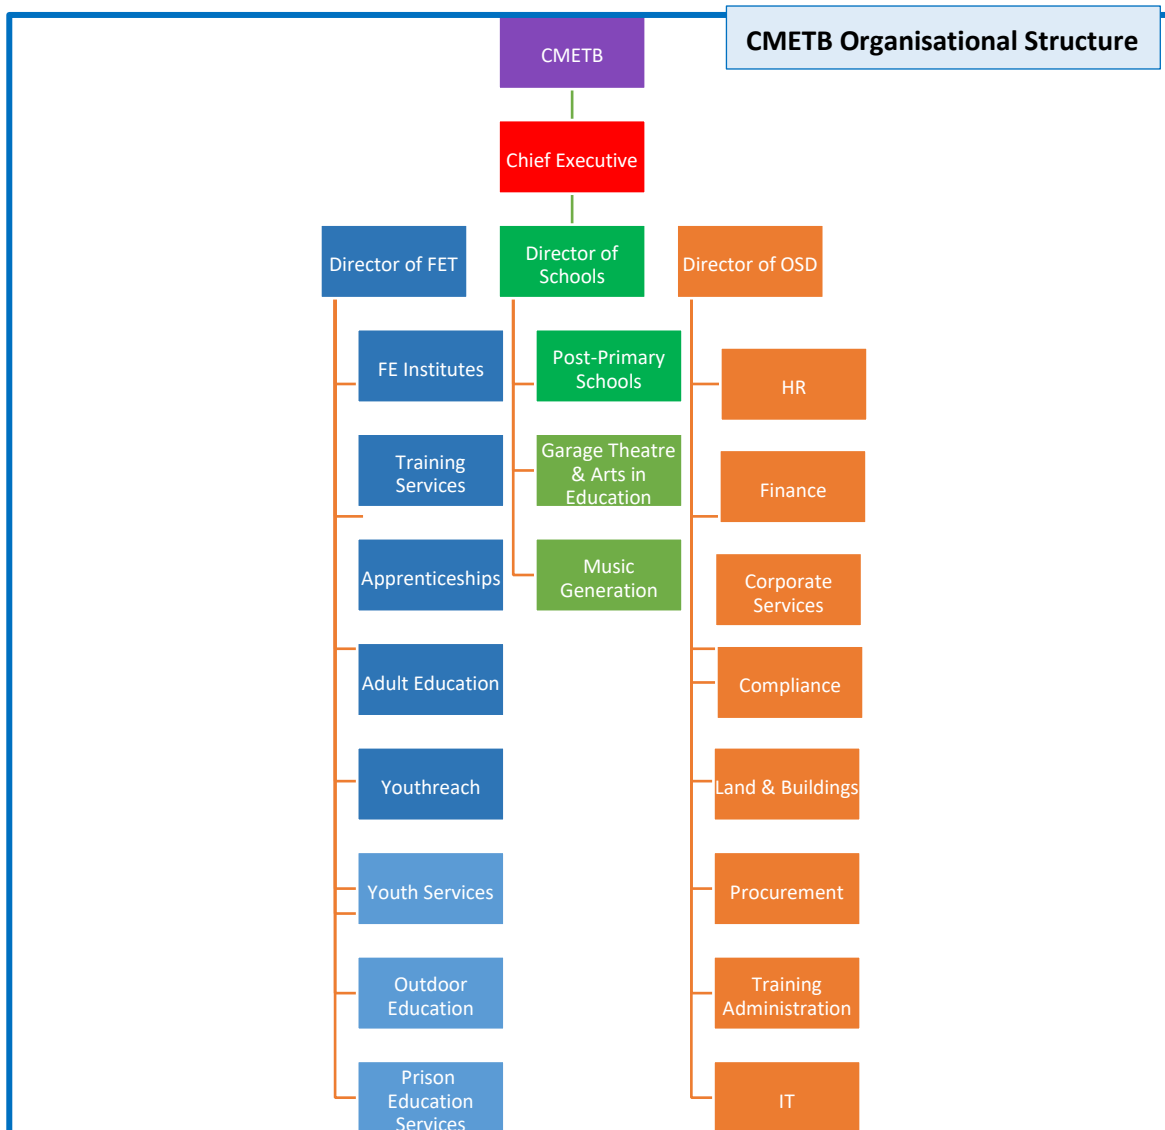

The Administration Centres/Offices are central to CMETB operations. CMETB Head Office is located in Monaghan Town and we have a Sub-Office in Cavan Town. These centres act as the hub for all CMETB centres and services. The Administrative functions are delivered through a pillar structure, comprising Human Resources, Finance, Land and Buildings, Corporate Services, Compliance, Procurement, IT and Training Administration.

- Monthly management review of reports outlining the actual and budgeted results of programmes operated by the ETB.

The Board's monitoring and review of the effectiveness of the system of internal control is informed by the:

- Work of the Audit Committee, which considers internal audit reports and reports of the Comptroller and Auditor General (C & AG), and reports to the Board whether the Chief Executive is, in the internal auditor's opinion, operating adequate and appropriate systems of internal control.
- Chief Executive, who has responsibility for the financial control framework.
- Recommendations made by the C&AG in management letters or other reports.

An Internal Audit function is provided by the Internal Audit Unit – Education and Training Boards (IAU-ETB). The most recent internal audit review was conducted in 2017 covered IT and benchmarked ETBs against an ISO Standard. The IT Systems and Network Management controls covered by this audit are as follows:

- Business Continuity/ Disaster Recovery Planning
- Network Design
- Outsourced IT Services Disaster Recovery Arrangements
- IT System Backup and Restore
- Network Gateway Security Controls

Based on the Audit Report, CMETB does not have an adequate system of internal control pertaining to both IT Systems and Network Management Controls.

CMETB is progressing a number of recommendations at local and national level with additional resources.

At national level these include the CE chairing the ETBI ICT Steering Group and DOSD chairing the ETBI ICT Forum.

These groups are progressing the developments of Business Continuity plans, Disaster Recovery plans, enhancement of SLAs and nationwide training programmes for ICT staff.

Annual Review of Controls

Cavan and Monaghan ETB is committed to operating an efficient, effective and economic internal control system. I confirm that in the year ended 31 December 2018 the Audit Committee conducted a review of the effectiveness of the system of internal control on the 15 March 2019. This included a detailed review of all internal audit reports for CMETB since its inception in addition to an examination of Minutes Books of the Board, Audit Committee and Finance Committee. The Audit Committee also received confirmation from the Chief Executive that the system of internal control is adequate and appropriate insofar as is reasonably practicable. This confirmation is based on assurance provided by senior managers.

CMETB considers that the level of internal audit resource available was inadequate in 2018. However, it is expected that this will be rectified in 2019.

CMETB is fully committed to complying with EU and national procurement regulations and guidelines. Notwithstanding this, CMETB is not currently in a position to meet all of its responsibilities in respect of procurement regulations. There are instances where goods and services have been procured locally in line with the CMETB procurement policy but the cumulative value across all sites exceeds the national tendering threshold.

In 2018, the area of non-compliance was:

- Purchases for which no national tender was undertaken amounted to circa €247,000. These specific areas were bus hire, metal supplies, canteen supplies, maintenance agreements, waste disposal and outdoor educational equipment.

The status of tenders for three of the above is as follows:

Purchase Item	Date Tender published	Date for return of completed tenders	Award Date
Bus Hire	Sectoral Tender – this is a priority area for CMETB and it is hoped that we will be included in the first tranche for 2019		
Metal Supplies	31.01.2019	21.02.2019	06.03.2019
Canteen Supplies	19.12.2018	28.01.2019	25.02.2019

- CMETB has dealt with the procurement of bus hire, metal supplies and canteen supplies. CMETB is prioritising maintenance agreements, waste disposal and outdoor educational equipment for procurement and expects to conclude tenders for same in 2019. Given the nature of the organisation and the extent of spending under various categories and headings, full compliance has and will remain a challenge. CMETB will continue to monitor all areas of expenditure and tender for goods and services as required.

Establishment of the Education and Training Board and the Accounting Policies

1 Establishment of the Education and Training Board

Cavan and Monaghan Education and Training Board was established on 1 July 2013 and its functions are set out in section 10 of the Education and Training Boards Act 2013.

2 Significant Accounting Policies

(a) Basis of Presentation

The financial statements are presented in the form approved by the Minister for Education and Skills with the consent of the Minister for Finance and the Minister for Public Expenditure and Reform. They consist of a Statement of Accounting Policies, an Operating Statement, a Statement of Current Assets and Current Liabilities and notes to the financial statements.

Where necessary, the comparative figures for the previous year have been restated on the same bases as those for the current year.

(b) Basis of Preparation

The Operating Statement presents Receipts and Payments by Programme Grouping and the resultant Cash Surplus / (Deficit) is adjusted for other debtor and creditor movements to determine the overall result for the period on an accrual basis.

The Statement of Current Assets and Current Liabilities is prepared on the accruals basis by determining state grant and other funder balances at amounts that reflect the related expenditure incurred in accordance with the funding rules.

Third Party Debtors are included in Current Assets. Pay and Expense Liabilities are included in Current Liabilities.

(c) Tangible Fixed Assets

All assets purchased including land and buildings, fixtures and fittings and training equipment are expensed in the year of purchase. State grants to fund the purchase of tangible fixed assets are recognised in the same year.

(d) Stocks

All consumable stocks are expensed as purchased.

(e) Superannuation

The pension entitlements of ETB staff, including those who transferred from SOLAS, are conferred under defined benefit schemes.

Superannuation deductions made from employees' pay in respect of the schemes are retained by the ETB as part of agreed Exchequer funding, or paid over to the Department of Public Expenditure and Reform. Superannuation is paid under the Single Public Service Pension Scheme.

The ETB does not make any contributions towards the schemes.

These unfunded schemes are operated on a pay as you go basis with the annual pension entitlements being paid by the National Shared Services Office on behalf of the ETB. ETBs are responsible for the administration of their pensions. Pension funds are provided by the Department of Education and Skills.

Provision has not been made in the financial statements for the present cost of the future benefits that have accrued to staff members and existing pensioners under these schemes.

(f) Lease Rentals

All lease rentals are expensed as incurred.

10. Annual Report on Protected Disclosures

Cavan and Monaghan Education and Training Board

Protected Disclosures Act 2014

The Protected Disclosures Act 2014 came into effect on 15 July 2014.

This Act provides a framework within which workers can raise concerns regarding potential wrongdoing that has come to their attention in the workplace in the knowledge that they can avail of significant and other protections if they are penalised by their employer or suffer any detriment for doing so.

Cavan and Monaghan ETB (CMETB) has put in place a policy, which in tandem with the legislation, will encourage workers to report potential wrongdoing in the knowledge that their concerns will be taken seriously and investigated, where appropriate, and that their confidentiality will be respected.

The policy highlights that it is always appropriate to raise concerns when they are based on a reasonable belief, irrespective of whether any wrongdoing is in fact subsequently identified. The policy also provides workers with guidance on how to raise concerns

This policy applies to all CMETB workers including contractors, consultants, agency staff, former employees and interns/trainees.

In accordance with the provisions of the Protected Disclosures Act 2014, CMETB has appointed Fiona Nugent to receive protected disclosures. The designated officer can be contacted by telephone at 047 30888, by email at fionanugent@cmetb.ie or by post at Cavan and Monaghan ETB, Administration Centre, Market Street, Monaghan, H18 W449.

Protected Disclosures Annual Report 2018

Annual report of Cavan and Monaghan Education and Training Board as required by section 22 of the Protected Disclosures Act 2014.

Pursuant to this requirement, CMETB hereby confirms that one (1) report was received under the Protected Disclosure Act during 2018.

An initial assessment was carried out, and the disclosure was deemed not fall under the Protected Disclosures legislation. Subsequently an external review of this assessment was carried out and the disclosure was deemed to be a Protected Disclosure within the meaning of the legislation. External Investigation services were procured using the OGP Framework and the investigation is due to commence on 06 March 2019.

3. Fáilte an Chathaoirligh

Tá áthas orm a bheith in éineacht lenár bPríomhfheidhmeannach John Kearney chun roinnt focal fáilte agus réamhrá a chur ar fáil do Thuarascáil Bhliantúil Bhord Oideachais agus Oiliúna an Chabháin agus Mhuineacháin (BOOCM) do 2018.

Tá BOOCM ar cheann de na fostóirí is mó sa Chabhán agus i Muineachán le thart ar 1,200 ball foirne páirtaimseartha agus lánaimseartha fostaithe. Chuir BOOCM oideachas iar-bhunscoile ar fáil do 4,211 mac léinn i 11 scoil i rith 2018, rud a léiríonn fás rollaithe de níos mó ná 300 mac léinn agus tá réamh-mheastachán d'fhás sa todhchaí ann do na blianta amach romhainn.

Tríd ár gcomhpháirtíochtaí straitéiseacha le gnólachtaí áitiúla, le fostóirí agus le Comhairlí Contae an Chabháin agus Mhuineacháin agus lena gcoistí gaolmhara, táimid ar cheann de na príomhthiománaithe a bhaineann le forbairt agus fás eacnamaíoch sa réigiún. Inár dTuarascáil Bhliantúil do 2018 déantar machnamh ar an obair seo agus léirítear í.

I measc a lán imeachtaí suntasacha a tharla le linn 2018 bhí:

- Oscailt oifigiúil ár meánscoile a raibh súil againn léi le fada i nDún an Rí, Coláiste Dún an Rí
- Osclaíodh síneadh suntasach do Choláiste Bhréifne a bhfuil fás tapa ag teacht uirthi i mBaile an Chabháin
- Torthaí den scoth á mbaint amach ag mic léinn i ngach ceann dár meánscoileanna, i dtéarmaí gníomhaíochtaí acadúla, spóirt agus sóisialta
- Printíseachtaí agus cúrsaí oiliúna nuálacha a thabhairt isteach agus a sheachadadh mar chuid de sheachadadh Chlár BO de chuid BOOCM
- Bronnadh céime a raibh freastail maith orthu agus a bhí dea-eagraithe ag ár n-Institiúidí agus san earnáil Oideachais Aosaigh agus Pobail
- Na caighdeáin rialachais chorparáidigh is airde a choinneáil ar fud na heagraíochta.

Níl sa mhéid thuasluaite ach cuid de bhuaicphointí na hoibre a rinne baill foirne, foghlaimeoirí agus comhaltaí an Bhoird le linn 2018.

Mar Chathaoirleach, tá súil agam go bhfeicfear sna blianta de 2019 agus ina dhiaidh sin an cur i gcrích den Champas Breisoideachais agus Oiliúna atá ceadaithe do Bhaile an Chabháin. Leis an gcampas nua seo, léireofar i gceart an scéal ratha atá mar chuid d'Institiúid an Chabháin, mar aon le teacht chun cinn BOOCM mar cheannródaí maidir le Cúrsaí Oiliúna agus Printíseachtaí nua agus an-ábhartha a chur chun cinn chun freastal ar riachtanais scileanna fostóirí áitiúla agus d'fhostóirí sa todhchaí.

An Clr Seamus Coyle, Cathaoirleach BOOCM 2017-2018

4. Aitheasc an Phríomhfheidhmeannaigh

Tá sé mar aidhm againn agus an tuarascáil seo a chur i láthair ná forbheathnú a sholáthar ar fheidhmíocht BOO an Chabháin agus Mhuineacháin maidir lena fheidhmeanna i rith na bliana agus an obair a rinneadh chun Ráiteas Straitéise BOOCM 2017 go 2021 a chur i bhfeidhm. Is iad ár gcroíluchanna de Chomhionannas, Gairmiúlacht, Ionracas, Comhoibriú agus Nuálaíocht a threoraíonn ár ngníomhartha comhchoiteanna ar fud na heagraíochta chun seachadadh gach sprice dár straitéis a chur chun cinn. Sa Tuarascáil Bhliantúil seo, leagtar béim ar an méid atá bainte amach ag Ráiteas Straitéise BOOCM le linn 2018. Déanfar an t-athbhreithniú pleanáilte ar an Straitéis in 2019.

I scoileanna, tá fás tagtha ar líon na mac léinn, rud a léiríonn an t-oideachas ardchaighdeán atá á sholáthar do dhaoine óga, a bhfuil a dtuismitheoirí tar éis iad a chur de chúram orainn. Leanadh ar aghaidh le dul chun cinn mór ar an gclár caipitil, agus mar thoradh air seo críochnaíodh foirgneamh scoile nua do Choláiste Dún an Rí agus síneadh mór do Choláiste Bhréifne. Chuidigh gréasáin chomhoibreacha i gCeannaireacht, i dTeagasc agus i bhFoghlaim, i bhFolláine agus i dTeicneolaíocht Faisnéise agus Cumarsáide le cur chuige an-idirghníomhach a fhorbairt maidir le croíghnó teagaisc agus foghlama sa seomra ranga.

Tá cáil ág teacht ar sheirbhísí Breisoideachais agus Oiliúna BOOCM as freagairtí réamhghníomhacha agus pleanáilte a thabhairt ar na saincheistean inár gceantar. Is é an plean fadtéarmach le haghaidh BOOCM ná bogadh ar shiúl ó sheirbhísí ar an láthair agus bogadh i dtreo seirbhíse bunaithe ar an ngréasán ina mbeadh na táirgí go léir ar fáil ar an ngréasán.

Tá BOOCM tar éis inlín foirne a thabhairt isteach do gach ball foirne ar fud na scéime. Tá an inlín seo ag rith ar Microsoft SharePoint atá mar chuid de shraith táirge Microsoft Office 365. Leis an bhfeidhmchlár, ceadaítear don fhoireann comhoibriú agus faisnéis a roinnt go héasca agus rochtain a fháil ar dhoiciméid lena n-áirítear beartais agus nósanna imeachta foirne a stóráiltear go lárnach agus is féidir rochtain a fháil orthu go slán ó áit ar bith ar ilfheistí lena n-áirítear fóin deisce, ríomhaire glúine agus fóin chliste.

Baineann BOOCM úsáid as Microsoft Teams atá ina uirlis chomhoibríthe a chuireann ar chumas na foirne comhoibriú foireann le foireann agus foireann le mac léinn. Is uirlis chumarsáide an-chumhachtach é seo agus baintear úsáid as faoi láthair ar fud na Scéime BOOCM.

Tá Bord Oideachais agus Oiliúna an Chabháin - Mhuineacháin (BOOCM) ar cheann de na ceannairí i dtéarmaí TFC laistigh d'earnáil an BOO ar bhonn náisiúnta. Faoi láthair tacaíonn TF BOOCM le 1,200 ball foirne agus 12,000 mac léinn ar bhonn laethúil i ngach ceann dár scoileanna agus dár n-ionaid oideachais i réigiún an Chabháin agus Mhuineacháin. Tugann TF BOOCM tacaíocht freisin do na feidhmchláir agus na córais éagsúla a theastaíonn ó úsáideoirí chun a gcuid oibre a dhéanamh.

Leanann an úsáid de TFC laistigh de scoileanna BOOCM ag ardú ag ráta an-ard go háirithe ó seoladh ár gclár ceannaire digiteach. Seoladh an tionscnamh foirne seo in 2017 agus d'aithin BOOCM grúpa foirne arna chomhordú ag BOOCM atá ag obair chun comhéadan mac léinn a fheabhsú don bhliain acadúil 2018/2019. Tá ardoiliúint saincheaptha á fáil ag na baill foirne seo ar an mbealach is fearr chun úsáid a bhaint as Oifig 365 i gcur chun cinn an teagaisc agus na foghlama ina seomraí ranga féin agus ar fud na scoile ina iomláine. Tá na baill foirne seo ag plé le baill foirne eile laistigh dá scoileanna agus dá n-ionaid féin agus tá an t-eolas a fhaigheann siad ag dul ar aghaidh dá gcomhghleacaithe laistigh dá ranna ábhair féin agus go ginearálta ar fud na scoile.

D'fhógair an tAire Oideachais agus Scileanna, Joe McHugh TD, infheistíocht bhreise de € 50 milliún i mbonneagar TFC do bhunscoileanna agus do mheánscoileanna. Is í an infheistíocht seo an tríú tráthchuid de chur i bhfeidhm Straitéis Dhigiteach an Rialtais do Scoileanna de luach €210 milliún. Mar chuid den chlár seo tá Plean ríomhfhoghlama comhlánaithe ag gach scoil BOOCM agus tá TFC BOOCM ag obair go dlúth le Bainistíocht na scoile mar ról tacaíochta lena chinntiú go bhfuil a gcuid pleananna oiriúnach don fheidhm ó thaobh na teicneolaíochta de. Ceann de phríomhthosaíochtaí na bpleananna scoile ná an bonneagar líonra laistigh den

scoil a fheabhsú agus go háirithe Wi-Fi na scoile. Le bliain anuas tá BOOCM ag leanúint ar aghaidh ag uasghrádú gach Wi-Fi scoile agus faoi láthair tá os cionn 550 Pointí Rochtana gan Sreang á mbainistiú acu ar fud a n-ionaid go léir. Rinneadh infheistíocht eile i bhfeistí múinteoirí soghluaiste a chinntíonn go bhfuil an-chumas ag foireann BOOCM glacadh le teicneolaíochtaí nua laistigh den oideachas.

Le linn 2017, rollaigh TF BOOCM Windows 10 amach ar bheagnach 3000 feiste ar fud na heagraíochta ar fad. Le linn 2018 chun slándáil agus cobhsaíocht a chinntiú ar eastát na gClient, tá BOOCM tar éis dul chun cinn a dhéanamh chun uasghrádú a dhéanamh ar windows 10 go dtí na leagain is déanaí.

D'fhostaigh Aonad Iniúchta Inmheánaigh an BOO saineolas KOIS Corporation Limited chun iniúchadh TFC iomlán a dhéanamh ar an earnáil. Críochnaíodh an t-iniúchadh seo in 2017 agus cuireadh an tuarascáil iniúchta i ngníomh. Tá BOOCM ag tabhair aghaidhe go réamhghníomhach ar mholtaí thorthaí na tuarascála iniúchta.

Tá an tslándáil fós ina príomhábhar imní do BOOCM go háirithe lenár seirbhísí néil Office 365. Príomhghné de shlándáil néil ná céannacht agus rochtain nuair a bhaineann sé le bainistiú ár n-acmhainní néil. Is féidir le húsáideoirí BOOCM rochtain a fháil ar acmhainní ag úsáid réimse gléasanna agus aipeanna ó áit ar bith i dtimpeallacht shoghluaiste néil. Mar thoradh air seo, ní leor díriú ar cé atá in ann rochtain a fháil ar acmhainn níos mó. D'fhonn an chothromaíocht idir an tslándáil agus an táirgiúlacht a bhaint amach, tá leibhéal níos airde slándála tugtha isteach ag BOOCM ar a dtugtar rochtain choinníollach a cheanglóidh ar an bhFoireann faisnéis bhreise logála a chur isteach nuair a bheidh siad ag teacht ar scam-sheirbhísí BOOCM ó lasmuigh den líonra corparáideach. Rinneadh an ghné nua slándála seo a thástáil go hiomlán agus cuireadh i bhfeidhm go hiomlán í don fhoireann go léir.

Tá bainistiú gléas soghluaiste Microsoft Intune curtha i bhfeidhm ag BOOCM. Feidhmchlár bainistíochta soghluaisteachta fiontair (EMM) is ea Intune a chuirfidh ar chumas BOOCM a shonraí corparáideacha a chosaint ar gach gléas soghluaiste lena n-áirítear ríomhairí glúine, táibléad agus fóin phóca. Mar chuid den tsraith Intune, tá BOOCM tar éis polasaithe Bainistíochta Feidhmchláir Soghluaiste (MAM) a ghairáil agus a rolladh amach do gach ball foirne agus mac léinn BOOCM. Cosnaíonn polasaithe Intune MAM sonraí corparáideacha Oifig BOOCM 365 ag leibhéal an fheidhmchláir ar ghléasanna soghluaiste. Tá BOOCM ag clárú gléasanna soghluaiste corparáideacha ar bhonn leanúnach agus iad ag baint úsáide as slándáil dhlúth agus fhorfheidhmithe na bhfeistí seo.

x. **Airgeadas**

I rith 2018 tugadh isteach Way2Pay agus cuireadh i bhfeidhm é i ngach scoil i BOOCM. Is córas ar líne é Way2Pay a ligeann do scoileanna íocaíochtaí a iarraidh agus a fháil ó thuismitheoirí agus do thuismitheoirí na híocaíochtaí seo a dhéanamh ar líne. Cuireann an córas córas fáltais láithreach ar fáil a cheadaíonn réiteach agus iniúchadh iomlán ar ioncam scoile. Laghdaíonn sé freisin an riosca do mhic léinn airgead a thabhairt chuig scoileanna agus do scoileanna a

bhfuil suimeanna airgid acu san áitreabh. Déanfaidh BOOCM an tseirbhís seo a rolladh amach i seirbhísí eile de réir mar is cuí.

xi. Talamh agus Foirgnimh

D'fhreastail an fhoireann ar oiliúint éagsúla i rith na bliana chun an t-eolas is airde a chinntiú chun riachtanais a gheallsealbhoirí a sheachadadh.

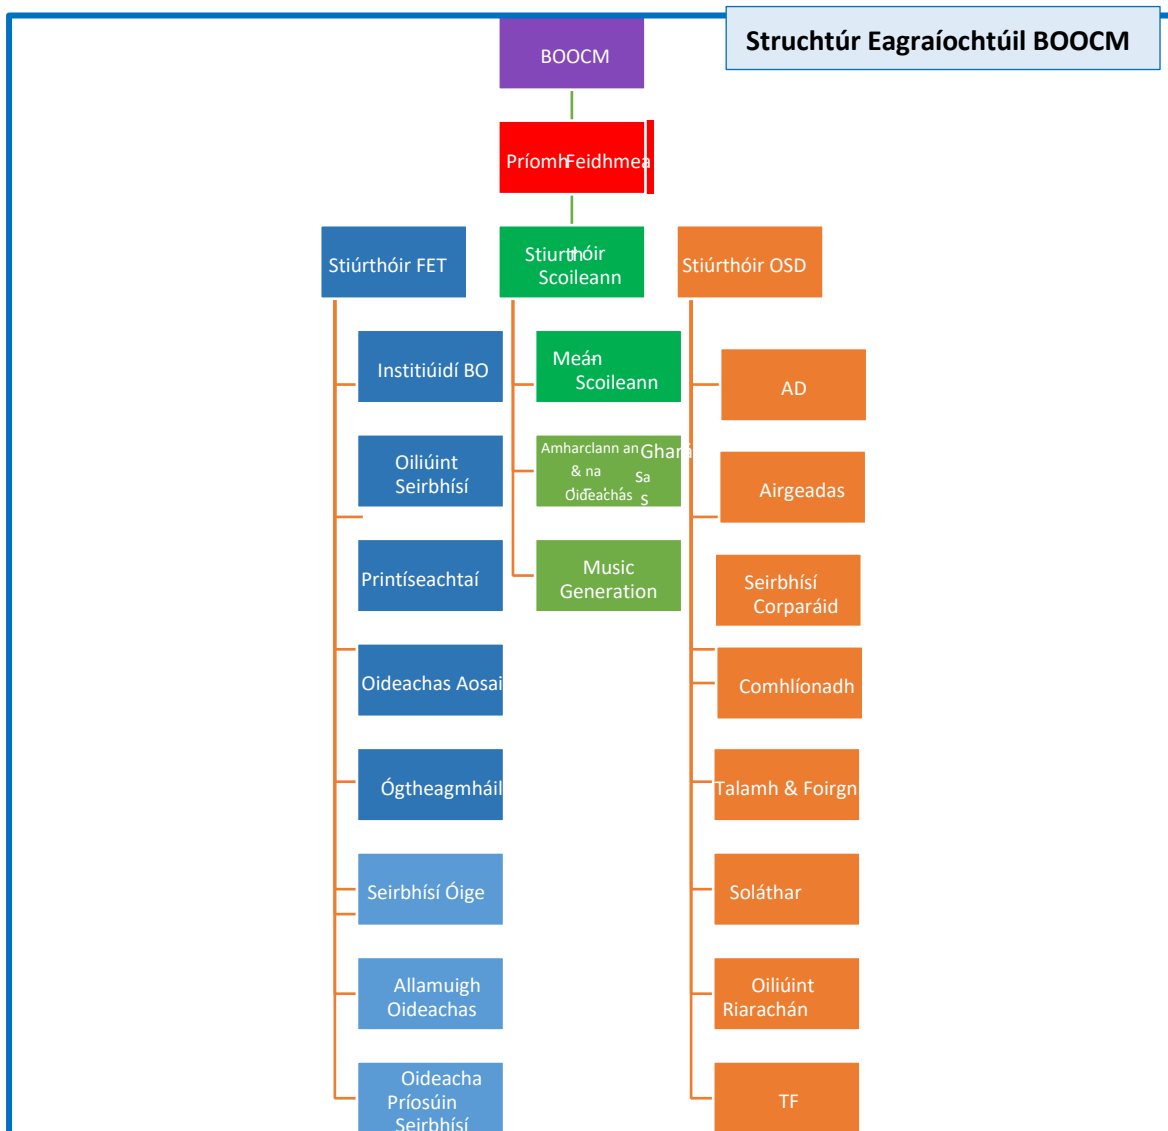

xii. Cumas Eagraíochtúil

Tá na hIonaid / Oifigí Riaracháin rithábhachtach d'oibríochtaí BOOCM. Tá Príomhoifig BOOCM lonnaithe i mBaile Mhuineacháin agus tá Fo-Oifig againn i mBaile an Chabháin. Feidhmíonn na hionaid seo mar mhol do gach ionad agus seirbhís BOOCM. Seachadtar na feidhmeanna Riaracháin trí struchtúr colúin, lena n-áirítear Acmhainní Daonna, Airgeadas, Talamh agus Foirgnimh, Seirbhísí Corparáideacha, Comhlíonadh, Soláthar, TF agus Riarachán Oiliúna.

Is iad spriocanna fhoireann an OSD ná feabhas a chur ar na próisis agus na nósanna imeachta a thacaíonn le dea-rialachas corparáideach i BOOCM agus a chinntiú go n-úsáidtear acmhainní Daonna, Airgeadais agus Bonneagair, atá oiriúnach do sheachadadh na seirbhísí túsline go héifeachtach agus go héifeachtúil ar fud BOOCM.

I rith 2018, cuireadh tús le planáil agus réamhobair roimh aistriú fheidhm phárolla BOOCM go Seirbhísí Oideachais Comhroinnte Oideachais.

Déantar seirbhísí BOOCM a sheachadadh anois trí struchtúr atá dea-fheidhmithe, sruthlínithe mar atá leagtha amach thíos:

8.3. Ráiteas an Chórais um Rialú Inmheánach

Ráiteas ar Fhreagrachtaí an Bhoird

Bunaíodh Bord Oideachais agus Oiliúna an Chabháin agus Mhuineacháin an 1 Iúil 2013 faoi fhorálacha an Achta um Boird Oideachais agus Oiliúna 2013.

Éilítear le hAlt 51 den Acht sin ar an BOO, i cibé foirm agus i cibé tréimhsí cuntasáíochta a cheadaítear ag an Aire Oideachais agus Scileanna le toiliú an Aire Caiteachais Phoiblí agus Athchóirithe, na cuntais chuí is gnách ar airgead a fuarthas agus a chaitear.

Agus atá na cuntais sin á n-ullmhú aige, ceanglaítear ar an mBord:

- (a) na polasaithe cuntasáíochta caighdeánacha a chur i bhfeidhm chun ráitis airgeadais BOO a ullmhú
- (b) breithiúnais agus meastacháin chuntasáíochta atá réasúnta agus stuama a dhéanamh
- (c) aon imeacht ábhartha ó na polasaithe caighdeánacha cuntasáíochta a nochtadh agus a mhíniú.

Tá an Bord freagrach as leabhair chuntais chuí a choinneáil lena nochtar, le cruinneas réasúnta ag tráth ar bith staid airgeadais an Bhoird agus a chuireann ar a chumas a chinntiú go gcomhlíonann na Ráitis Airgeadais alt 51 d'Acht na mBord Oideachais agus Oiliúna 2013.

Tá an Bord freagrach freisin as a chuid sócmhainní a chosaint, agus dá bhrí sin chun bearta réasúnta a ghlacadh chun calaois agus neamhrialtachtaí eile a chosc agus a bhrath.

Ráiteas an Chórais um Rialú Inmheánach

Freagracht as an gCóras um Rialú Inmheánach

Mar a fhoráiltear faoi Acht um Bhoird Oideachais agus Oiliúna 2013, tá BOO an Chabháin agus Mhuineacháin freagrach as athbhreithniú agus cinntiú a dhéanamh ar éifeachtacht chórais rialaithe inmheánaigh an BOO. Ghlac BOO an Chabháin agus Mhuineacháin go foirmiúil leis an gCód Cleachtas um Rialachas na mBord Oideachais agus Oiliúna an 23 Márta 2015. Bunaíodh na Coistí Iniúchta agus Airgeadais i Márta 2015.

Mar Chathaoirleach ar BOO an Chabháin agus Mhuineacháin, aithním an fhreagracht atá ar an mBord as a chinntiú go gcoinnítear agus go bhfeidhmítear córas rialaithe inmheánaigh éifeachtúil agus éifeachtach. Is é cuspóir an chórais sin a chinntiú go gcosnaítear sócmhainní, go ndéantar idirbhearta a údarú agus a thaifeadadh i gceart, agus go gcuirtear cosc ar earráidí nó neamhrialtachtaí ábhartha nó go mbraithfí iad i dtréimhse thráthúil.

Príomhnósanna Imeachta Rialaithe

Tá bearta glactha ag an mBord chun timpeallacht rialaithe chuí a chinntiú trí:

- Freagrachtaí bainistíochta agus foirne a shainiú go soiléir.
- Nósanna imeachta a bhunú chun teipeanna rialaithe suntasacha a thuairisciú agus chun gníomh ceartaitheach cuí a chinntiú.
- Nósanna imeachta a bhunú chun gach riosca a aithint agus a mheas a d'fhéadfadh cosc a chur ar an BOO a chuspóirí a bhaint amach.

Tá an córas rialaithe inmheánaigh i bhfeidhm ag BOO an Chabháin agus Mhuineacháin bunaithe ar:

- Nósanna imeachta riaracháin mionsonraithe
- Deighilt dualgais
- Údaruithe sonracha
- Seiceáil inmheánach
- Athbhreithniú míosúil bainistíochta ar thuarascálacha lena leagtar amach torthaí iarbhir agus buiséadaithe na gclár a fheidhmíonn an BOO.

Tá monatóireacht agus athbhreithniú an Bhoird ar éifeachtacht an chórais rialaithe inmheánaigh curtha ar an eolas leis na nithe seo a leanas:

- Obair an Choiste Iniúchta, lena ndéantar breithniú ar thuarascálacha iniúchóireachta inmheánaí agus ar thuarascálacha an Ard-Reachtair Cuntas agus Ciste (C & AG), agus a thuairiscíonn don bhord an bhfuil, i dtuairim an iniúchóra inmheánaigh, córais leordhóthanacha rialaithe inmheánacha i bhfeidhm.
- Príomhfheidhmeannach, atá freagrach as an gcreat rialaithe airgeadais.

- Moltaí a rinne an tArd-Reachtair Cuntas agus Ciste i litreacha bainistíochta nó i dtuarascálacha eile .

Soláthraíonn an tAonad Iniúchta Inmheánaigh - Boird Oideachais agus Oilíúna (AII-BOO) feidhm Iniúchta Inmheánaigh. Rinneadh an t-athbhreithniú iniúchta inmheánaigh is déanaí le linn 2017 agus cumhdaíodh TF. Is mar seo a leanas na rialuithe Córais TF agus Bainistíochta Líonra a chumhdaítear san iniúchadh seo:

- Leanúnachas Gnó / Pleanáil do Théarnamh tar éis Tubaiste
- Dearadh Gréasáin
- Socruithe do Théarnamh tar éis Tubaiste Seirbhísí TF Seachfhoinsithe
- Cúltaca agus Athchóiriú Córais TF
- Rialuithe Slándála Tairsí Líonra

Bunaithe ar an Tuarascáil Iniúchta, níl córas rialaithe inmheánaigh leordhóthanach ag BOOCM maidir leis na Córais TF agus Rialuithe Bainistíochta Líonra.

Tá roinnt moltaí á gcur chun cinn ag BOOCM ar leibhéal áitiúil agus náisiúnta agus tá gá le hacmhainní breise chun moltaí eile a chur chun cinn.

Athbhreithniú Bliantúil ar Rialuithe

Tá BOO an Chabháin agus Mhuineacháin tiomanta do chóras rialaithe inmheánach éifeachtúil, éifeachtach agus eacnamaíoch a oibriú. Dearbhaím go ndearna an Coiste Iniúchta athbhreithniú ar éifeachtacht an chórais rialaithe inmheánaigh don bhliain dar críoch 31 Nollaig 2018. Áiríodh leis seo athbhreithniú mionsonraithe ar gach tuarascáil iniúchta inmheánaigh do BOOCM ó bunaíodh é chomh maith le scrúdú a dhéanamh ar Leabhair Mhiontuairiscí an Bhoird, an Choiste Iniúchta agus an Choiste Airgeadais. Fuair an Coiste Iniúchta deimhniú ón bPríomhfheidhmeannach freisin go bhfuil an córas rialaithe inmheánaigh leordhóthanach agus oiriúnach chomh fada agus is féidir le réasún. Tá an dearbhú seo bunaithe ar dhearbhu a chuir bainisteoirí sinsearacha ar fáil.

Measann CMETB nár leor an leibhéal d'iniúchadh inmheánach a bhí ar fáil in 2018. Mar sin féin, táthar ag súil go gceartófar é seo in 2019.

Tá BOOCM tiomanta go hiomlán do chomhlíonadh le rialacháin agus treoirlínte soláthair AE agus náisiúnta. D'ainneoin sin, níl BOOCM in ann a chuid freagrachtaí go léir a chomhlíonadh faoi láthair maidir le rialacháin soláthair. Tá cásanna ann inar soláthraíodh earraí agus seirbhísí go háitiúil ag teacht le beartas soláthair BOOCM ach tá an luach carnach sna suíomhanna go léir níos mó ná an tairseach tairisceana náisiúnta.

In 2018, b'ionann an réimse neamhchomhlíonta agus:

- B'ionann agus thart ar € 247,000 na ceannacháin nach ndearnadh aon tairiscint náisiúnta ina leith. Ba iad na réimsí sonracha seo ná fruilíú bus, soláthairtí miotail, soláthairtí

ceaintín, comhaontuithe cothabhála, diúscairt dramháola agus trealamh oideachais allamuigh.

Seo a leanas stádas na dtairiscintí le haghaidh trí cinn díobh seo a leanas:

Earra a Ceannaíodh	Dáta Tairisceana Foilsithe	Dáta le tairiscintí comhlánaithe a chur ar ais	Dáta ionchais a bhronnfar é
Fruiliú Bus	Tairiscint Earnála - is réimse tosaíochta é seo do BOOCM agus táthar ag súil go mbeidh muid san áireamh sa chéad tráinse do 2019		
Soláthairtí Miotail	31.01.2019	21.02.2019	08.03.2019
Soláthairtí Ceaintín	19.12.2018	28.01.2019	25.02.2019

- Dhéileáil BOOCM le soláthar fruiliú bus, soláthairtí miotail agus soláthairtí ceaintín. Tá BOOCM ag tabhairt tosaíochta do chomhaontuithe cothabhála, diúscairt dramháola agus trealamh oideachais allamuigh le haghaidh soláthair agus táthar ag súil le tairiscintí a chur i gcrích i 2019. I bhfianaise nádúr na heagraíochta agus méid an chaiteachais faoi chatagóirí agus faoi cheannteidil éagsúla, is dúshlán é comhlíonadh iomlán agus beidh sé fós ina dhúshlán. Leanfaidh BOOCM ar aghaidh ag déanamh monatóireachta ar gach réimse caiteachais agus tairisceana maidir le hearraí agus seirbhísí de réir mar is gá.

Sa Ráiteas Oibriúcháin Fáltais agus Íocaíochtaí i nGrúpáil Cláir cuirtear i láthair agus déantar an Barrachas / (Easnamh) Airgid mar thoradh air a choigeartú do ghluaiseachtaí féichiúnaithe agus creidiúnaithe eile chun toradh foriomlán na tréimhse a chinneadh ar bhonn fabhráithe.

Ullmhaítear an Ráiteas faoi Shócmhainní Reatha agus Dliteanais Reatha ar an mbonn fabhráithe trí iarmhéideanna deontais stáit agus comhardaitheoirí eile a chinneadh ag méideanna a léiríonn an caiteachas gaolmhar a tabhaíodh de réir na rialacha maoinithe.

Tá Féichiúnaithe Tríú Páirtí san áireamh i Sócmhainní Reatha. Tá Dliteanais Phá agus Chostais san áireamh i nDliteanais Reatha.

(c) Sócmhainní Seasta Inláimhsithe

Tá na sócmhainní go léir a cheannaítear lena n-áirítear talamh agus foirgnimh, daingneáin agus feistis agus trealamh oiliúna íochta i mbliain an cheannaigh. Aithnítear deontais stáit chun ceannach sócmhainní inláimhsithe seasta a mhaoiniú sa bhliain chéanna.

(d) Stoic

Gearrtar gach stoc inchaite de réir mar a ceannaíodh iad.

(e) Aoisliúntas

Bronntar teidlíochtaí pinsin fhoireann BOO, iad siúd a d'aistrigh ó SOLAS san áireamh, faoi scéimeanna sochair shainithe.

Coinníonn an BOO asbhaintí aoisliúntais a dhéantar as pá fostaithe maidir leis na scéimeanna mar chuid de mhaoiniú comhaontaithe ón Státchiste, nó íoctar leis an Roinn Caiteachais Phoiblí agus Athchóirithe iad. Íoctar aoisliúntas faoin Scéim Pinsin Seirbhíse Poiblí Aonair.

Ní dhéanann an BOO aon ranníocaíochtaí i leith na scéimeanna.

Feidhmítear na scéimeanna neamh-mhaoinithe seo ar bhonn íoc mar a úsáidtear agus íocann Oifig Náisiúnta na Seirbhísí Comhroinnte na teidlíochtaí pinsin bliantúla thar ceann an BOO. Tá BOO freagrach as a bpinsin a riaradh. Cuireann an Roinn Oideachais agus Scileanna cistí pinsin ar fáil.

Ní dhearnadh soláthar sna ráitis airgeadais do chostas reatha na sochar todhchaí a fabhraíodh do bhaill foirne agus do phinsinéirí reatha faoi na scéimeanna seo.

(f) Cíosanna Léasa

Gearrtar gach cíos léasa de réir mar a thabhaítear iad.

10. Tuarascáil Bhliantúil ar Nochtadh Cosanta

Bord Oideachais agus Oiliúna An Cabhán agus Mhuineacháin

An tAcht um Nochtadh Cosanta, 2014

Tháinig an tAcht um Nochtadh Cosanta 2014 i bhfeidhm an 15 Iúil 2014.

Leis an Acht seo, soláthraítear creat inar féidir le hoibrithe ábhair inní a ardú maidir le éagóir a d'fhéadfadh teacht chun cinn san ionad oibre a bhfuil siad ar an eolas faoi ionas gur féidir leo leas a bhaint as cosaintí suntasacha agus eile má ghearrann a bhfostóir pionós orthu nó má fhulaingíonn siad ó dhochar toisc go ndearnadh siad a leithéid.

Tá beartas curtha i bhfeidhm ag Bord Oideachais agus Oiliúna an Chabháin agus Mhuineacháin (BOOCM), a spreagfaidh oibrithe, in éineacht leis an reachtaíocht, chun éagóir a thuairisciú agus iad ar an eolas go nglacfar a n-inní go dáiríre agus go ndéanfar imscrúdú orthu, nuair is cuí, agus go n-uuramófar a gcuid rúndachta.

Leagtar béim sa bheartas gur cuí i gcónaí ábhair inní a ardú nuair a bhíonn siad bunaithe ar chreideamh réasúnach, is cuma an sainaithnítear nó nach sainaithnítear aon éagóir ina dhiaidh sin. Sa bheartas, tugtar treoir freisin d'oibrithe maidir le conas ábhair inní a ardú

Baineann an beartas seo le gach oibrí BOOCM lena n-áirítear conraitheoirí, sainchomhairleoirí, foireann ghníomhaireachta, iarfhostaithe agus intéirigh/oiliúnaithe.

De réir fhorálacha an Achta um Nochtadh faoi Chosaint 2014, tá Fiona Nugent ceaptha ag BOOCM chun nochtadh cosanta a fháil. Is féidir teagmháil a dhéanamh leis an oifigeach ainmnithe ar an teileafón ag 047 30888, trí ríomhphost ag fionanugent@BOOCM.ie nó tríd an bpost ag BOO an Chabháin agus Mhuineacháin, an tIonad Riaracháin, Sráid an Mhargaidh, Muineachán, H18 W449.

Tuarascáil Bhliantúil um Nochtadh Cosanta 2018

Tuarascáil bhliantúil Bhord Oideachais agus Oiliúna an Chabháin agus Mhuineacháin mar a cheanglaítear le halt 22 den Acht um Nochtadh Cosanta 2014.

De bhun an cheanglais seo, deimhníonn BOOCM leis seo go bhfuarthas tuarascáil amháin (1) faoin Acht um Nochtadh Cosanta i rith 2018.

Rinneadh measúnú tosaigh, agus measadh nár tháinig an nochtadh faoin reachtaíocht um Nochtadh Cosanta. Ina dhiaidh sin rinneadh athbhreithniú seachtrach ar an measúnú seo agus measadh gur nochtadh cosanta é an nochtadh de réir bhrí na reachtaíochta. Fuarthas seirbhísí imscrúdaithe sheachtraigh ag baint úsáide as an gCreat OGP agus tá an t-imscrúdú le tosú an 06 Márta 2019.
